Please enjoy our Mendota Business Directory: A listing of the diversity our City has to offer. From Mexican Bakeries and delicious Pupusas to Public Parks, Hotels, Hardware Stores, and Specialty Shops you are certain to find what you need.

Recreational opportunities are abundant, with three city parks in addition to the County and State administered parklands. Hunting and fishing are excellent in the area. To the West is the 85 acre Mendota Pool Park with play-grounds, picnic areas and launch ramp that attracts sports enthusiasts from the San Francisco Bay area for its legendary fishing of sturgeon, salmon and bass.

Mendota thrives on a strong agricultural history. In fact, you have reached the recognized Cantaloupe Center of the World! Other local crops to notice include: cotton, pistachios, broccoli, onions, corn, tomatoes, sugar beets and lettuce.

Use the map on the back to plan your trip around the City and don't forget to take notes on the historic buildings, the new library, and the Rojas-Pierce community park.

Our proud community and local business owners are happy to serve you and look forward to your visit.
